Luxaflex® Security Shutters – Lite version

We offer a Lite version, without the extra strength of our security product, perfect for estates and openings where privacy and light control are needed above security. Our Lite version provides a lockable aluminium barrier offering the same appealing aesthetic as the original shutter. This Lite version is set within your window and door frames.

Lounge Area

The space where you relax and entertain needs to provide comfortable cosiness and stylish beauty. Luxaflex® Security Shutters meet these requirements. Offering privacy and light control for the right mood throughout the day, these shutters enhance any room with their contemporary elegance that suit most architectural and interior styles.

Patio

"Nou gaan ons braai..."
and the setting is ready for the lazy day. No more cleaning outdoor furniture or moving heavy sun umbrellas to shield from the glare. With Luxaflex® Security Shutters your outdoor entertain area is always prepared. Just slide and stack the shutters for a full reveal or simply adjust the louvers for the perfect amount of sun.

Bedroom

Discreetly blending into the background, not interfering with your style or comfort in your bedroom, Luxaflex® Security Shutters provide total light control and keep you safe. Dream easy and rely on the solid, quality controlled Luxaflex® Security Shutters for a restful night.

Bathroom

No need for frosted windows or other window treatments to ensure your privacy. With a flick of a finger you can either stay incognito or enjoy the view from your bathroom. Luxaflex® Security Shutter are perfectly made for humid rooms, handling the damp and humidity with bravura, without any rust or discolouring.

Kitchen

The heart of your home, your kitchen. Dress it in its finest. Allow your kitchen to be bright, breezy and safe with Luxaflex® Security Shutters. They are a practical and hygienic choice with easy to clean, smooth & wipeable surfaces.

Your Luxaflex® Security Shutter options

Congratulations for deciding on Luxaflex® Security Shutters in your downstairs area and for Luxaflex® Lite upstairs, in your dormer windows. But what about the oddly shaped pantry window and the awkward screen door? Will Luxaflex® Security Shutters work?
